Then experience and participate in the "DEATH ARROW" ceremony as you release your fears, uncertainties, and doubts. And follow the event up with a council of warriors talking circle.

Participants will need to bring a journal and writing implement, blanket, pillow, and bandana as well as snacks and lunch and supper for Saturday.

Christopher Bashaw is a Shamanic Practitioner within the Kosho Hoho Yooga Tradition and will share this profound event in Naples, Maine. *Space is limited and registrations are first come first serve.*
