The Peaceful Warrior Path Retreat

**MARCH 19 & 20, 2011**

Learn traditional shamanic journey-work;  
With Death Arrow releasing ceremony;  
Participate in a warrior's council

**The Shamanic Journey** -The Shamanic Journey is a way of finding answers, information, healing, wisdom and knowledge as well as guidance or help with one's personal life. During the Journey the individual meets with spirits who may be regarded as ancestors, elders, gods, goddesses, deceased shamans, spirit guides, power animals and angels. These beings are seen as beings with great wisdom, power and the ones who are willing to help with guiding the living. Learn how to access these realms safely; find your animal totem, lost totems, and learn "the boat: group shamanic healing by using the drum as your vehicle to the upper and lower worlds.

**Death Arrow Ceremony** - Through ceremony and rite the Shamanic practitioner raises power and releases it to manifest his or her intentions. In this sacred ceremony the participants will create their "death arrow" filled with the energy of their life they wish to release; in turn clearing their path to manifest their own destiny. This power ceremony sets the stage for the participant to create a new future.

**Warrior's Council** - By use of the "Talking Circle" at the end of the seminar you will have a chance to participate in an ancient ritual and experience what it's like to use what you have learned in a very dramatic way instead of just intellectualizing it.
