

Unlike most yoga systems, Shugendo Yoga melds the spiritual and healing of yoga into a simple, yet complete system that is adaptable for all. Designed by a practicing Registered Nurse for over a quarter of a century who happens to also be a healing arts practitioner, martial artist, yoga practitioner, and shaman; this yoga system is both practical and effective.

Each 50 minute session is geared toward a particular dis-ease (ie carpal tunnel, depression, fibromyalgia, back pain, ect) and includes mantra, healing work like shiatsu, yoga asana, qigong, and meditation all designed and implemented to bring back balance into the body. www.shugendoyoga.com
